December 2021

Friends, Families, Community Members, and Music Education Supporters,

The Mercer County Band Program has been one of the most successful programs in the Mercer County School District for the past 25 years, having won 3 AA State Championships and appearing in KMEA State Finals 11 times. The MCSH Band performs at football and basketball games, local parades, school concerts and assemblies, and competes throughout the state. The King Middle School Band program has consistently scored Distinguished ratings at festivals and performs throughout the school year for the community.

The hard work and dedication of our students make our band program so successful. The program teaches our students discipline, good work ethic, team-building skills, camaraderie, and respect. To keep our program going strong, we need the support of the entire community, and we are asking for your help.

The MCSH Band is seeking sponsorships for the purchase of a new trailer to transport equipment to and from performances. By sponsoring the Mercer County Band Program, local businesses support the education of our students and be involved in our community. As a Platinum or Gold Sponsor of the band program, your business and/or name would be featured on our trailer proportional to the size of the donation until the wrap needs replacing. Your business and/or name would also be featured on Facebook and Instagram pages. Your business would also be recognized in our concert programs and verbally thanked at our various performances throughout the school year. As a Silver or Bronze Sponsor of the band program, your business would be advertised on Facebook and Instagram, recognized in our concert programs and verbally thanked at our various performances throughout the school year.

Please consider supporting the MCSH Band with a donation. Each and every donation will help the MCSH Band in the purchase of a new trailer.

Thank you for your support of the MCSH Band!

Sincerely,

Erica Ashford
Band Director
